McAuley Seniors Named State Scholars

The Illinois Student Assistance Commission recently announced the State Scholars for the year 2007. Of this year's Scholars, 48 are students at Mother McAuley Liberal Arts High School. Although program participation by high schools is voluntary, nearly all schools participate and Illinois top students elect to have test scores and academic information sent to ISAC for consideration in this program. Approximately 10% of Illinois' high school seniors are designated state scholars and receive a Certificate of Achievement for the accomplishment.

In order to enter the competition, high school students must take the ACT and/or SAT1 college entrance examination between September 1 and June 30 of their junior year of high school and have the scores sent to ISAC. Generally, selection of State Scholars is based on a combination of their test scores and their academic achievement.
