McAuley Community Lends a Helping Hand

Mother McAuley Student Council sponsored their annual food drive this week in partnership with Mercy Hospital and Holy Family Food Pantry. The entire McAuley community gets involved to help disadvantaged families in the Chicagoland area.. Homerooms and Departments were given the option of making up their own box or bring in a particular item such as coffee or soup. McAuley donated over 100 of the 1000 food boxes that Mercy Hospital distributed this year.
