McAuley Grad and Grandpa Travel to Italy

Kaila Mueller (Chg., Beverly) really had something to celebrate. Not only was she graduating from Mother McAuley Liberal Arts High School with an exemplary GPA of 4.45, her grandfather, Victor Sorrentino of San Diego, California was taking her to Italy as a gift for her high school graduation and 18th birthday and to celebrate his 70th birthday. The two traveled to Naples to celebrate all these milestones with their Italian relatives in June.

While attending McAuley, Kaila was treasurer of the National Honor Society, Student Council Commissioner, and a Student Ambassador. In addition to her commitment to Mother McAuley as a leader, Kaila also excelled academically. She was an Illinois State Scholar, Presidential Excellence Awardee and an AP Scholar. Kaila will be attending Northwestern University in the fall as a Pre-Med major. Her trip to Italy made her eager to start her class to learn the Italian language.
