## Dr. Allain speaks to McAuley Physics Students

Mother McAuley students in Mr. Robert Thomas' Honors and AP Physics classes recently welcomed Monica Cortez Allain, Ph.D., associate director of undergraduate education in the College of Engineering at Purdue University. Dr. Allain spoke to the students about women in the field of engineering and the opportunities they have in the sciences. The students were able to ask questions about different types of careers and how to prepare to major in engineering.
