McAuley Little School Sends Valentine Wishes in the Language of Love

“Je t’aime beaucoup! Bisous!... was the endearing message in the Valentine cards that the McAuley Little School students created for their parents. With the help of the Mother McAuley Freshman French class taught by Madame Danielle Lange, the young students were able to decorate cards claiming: Dear Mom and Dad, I love you very much! Kisses!

Little School is a preschool program for 3 and 4 year old children located at Mother McAuley in a classroom colorfully painted and decorated by McAuley students. The Little School students are taught by McAuley seniors enrolled in the Child Psychology class taught by Mrs. Cheryl Dignan and Mrs. Dorothy Grant-Wonders. This unique program provides exceptional interaction between the Little School students and their McAuley teachers, often providing the children with one-on-one attention.

Mother McAuley offers four years of French, including AP French, and has a local chapter of La Societe Honoraire de Francais (French Honor Society) where students can expand their knowledge of the French culture, compete in competitions and provide service to the community.
