August 2017

Dear Mother McAuley Families,

We hope you are having a great summer! We would like to take a moment to introduce ourselves (to those of you who haven't been to the restaurant), as we could not be more excited to start running the school's foodservice program!

Every morning starts with homemade breakfast. The spread includes fresh eggs, from scratch pancakes and french toast, sausage, bacon, potatoes, breakfast sandwiches...the works. Our lunch menu includes our signature homemade pizza, hand packed fresh ground burgers, fresh salads, sandwiches (hot and cold), whole grain wraps, a daily pasta bar with homemade sauces, and of course our restaurant quality specials. As the year progresses, we will be consistently updating the menu and offering new choices and a wide variety, while maintaining the highest quality by using fresh ingredients and home-style recipes.

In the cafeteria we will be using the Mealttime point of sale program. Students will be able to fund their accounts via cash in the cafeteria, check, or by credit card directly into a student's Mealttime account. More information and instructions on the Mealttime system can be found on the school's website.

We continually strive to improve our service. It would be great to hear your suggestions and comments as we move along the school year. Please feel free to come by and talk to us during school, or at the restaurant any time. You can also make a quick phone call or send us an e-mail (countryhouserestaurant@comcast.net) and let us know how we are doing. We would love to hear from you, and we are very proud to be a part of your community!!!

Sincerely,

Country House Restaurant and Kitchen Company
