SCHOOL MISSION & IDENTITY

Mission Statement

Mother McAuley Liberal Arts High School is a Catholic educational community committed to providing a quality secondary education for young women. In the tradition of the Sisters of Mercy and their foundress, Catherine McAuley, we prepare students to live in a complex, dynamic society by teaching them to think critically, communicate effectively, respond compassionately to the needs of their community, and assume roles of Christian leadership. In partnership with parents, we empower young women to acknowledge their own giftedness, and to make decisions with a well-developed moral conscience. We foster an appreciation of the diversity of the global community, and a quest for knowledge and excellence as lifelong goals.

Mother McAuley Liberal Arts High School History

Mother McAuley Liberal Arts High School is named for Mother Catherine McAuley, the woman who founded the religious community of the Sisters of Mercy. Catherine Elizabeth McAuley, was born in Ireland in the late 18th century and lived with a wealthy couple following the death of her parents. Upon the death of this couple, she inherited their large estate. Recognizing the needs of the sick and poor in Ireland, Catherine chose to use this inheritance to help others. She opened the House of Mercy in Dublin, Ireland to help house and educate poor young women. Catherine founded the Sisters of Mercy because she wished to see this work continue. Other young women joined her new community so that together they could serve the poor, the sick and those in need of education. Today, all over the world, the Sisters of Mercy along with committed lay women and men, follow in Catherine's footsteps by offering mercy-filled service to others in need.

A small group of Mercy Sisters arrived in Chicago in 1846, led by Frances Warde, Catherine McAuley's closest friend. Within weeks they opened a "select school" that became St. Francis Xavier Academy for Females, the first school chartered in the city of Chicago. The course of study covered primary, secondary and collegiate levels. The first building was located on Wabash Avenue between Madison and Monroe Streets. When the Chicago Fire of 1871 destroyed the original building, St. Francis Academy relocated to 29th and Wabash for a short time, then to a larger site at 49th and Cottage Grove in 1900.

In the 1950's, the southwest side of Chicago needed a Catholic girls' school to serve a fast-growing population. In 1956 "the Academy" relocated once again. Mother McAuley Liberal Arts High School and St. Xavier College (which is now a university) opened in the fall of 1956 to serve secondary and post-secondary women students respectively. McAuley opened with 523 students, 300 of which were first year students. Today, McAuley has over 26,500 alumnae and continues to educate young women in the tradition of the Sisters of Mercy.

Charism

Mother McAuley Liberal Arts High School was dedicated to serving those in need. Catherine McAuley had strong faith, courage and initiative. Others joined her and worked with her because they too believed in the dignity of all persons. They also believed that one must work actively to make the world a better place in which to live.

Challenge

The young women of Mother McAuley Liberal Arts High School have inherited a great tradition and a great challenge. They are challenged to preserve the faith and make it grow, to have the courage to live by the Catholic values they believe in, to take the initiative to be women of the 21st century - educated women who will respond to the needs of others. The faculty, staff and administration share in Mother McAuley's call to educate young women. The challenge for the future requires the commitment of each person who helps form the community of Mother McAuley Liberal Arts High School.

Service

Service is an essential dimension of the Mission of the school. Through direct service and with reflection, students respond compassionately to the needs of the community and critically reflect on needed societal systemic change.

The McAuley Shield:

The official insignia of Mother McAuley Liberal Arts High School, the shield combines the basic elements of the Mercy Shield with the symbol of charity and caring, representing Mother Mary Catherine McAuley. The combination - the Cross, representing sacrifice, and the flame, representing charity - expresses the pattern of Christian living.

The McAuley school colors are red, white and gold.

STATEMENT OF PHILOSOPHY

Mother McAuley Liberal Arts High School is a Catholic Liberal Arts High School for young women. Following in the tradition of the Sisters of Mercy and their foundress, Catherine McAuley, the school, in partnership with parents, educates young women for the future. Mother McAuley Liberal Arts High School is a Catholic Christian community rooted in the Gospel values of Jesus Christ. The school's commitment to teach these values empowers young women to make choices with a well-developed moral conscience, to live in mutual relationship with all creation, to promote justice and to serve others. Mother McAuley Liberal Arts High School promotes active membership in the community and an awareness of a responsibility to assume a leadership role in the Church and society. The educational program enables students to relate effectively to their present community and to appreciate global diversity.

The liberal arts curriculum encourages the student to develop an ability to think critically and communicate effectively. Exposure to the fine arts within this liberal arts curriculum fosters a greater appreciation of creativity and beauty in our complex, technological society. Mother McAuley Liberal Arts High School seeks to challenge the student on every level. Participation in a variety of educational experiences prepares her to continue her education successfully on post-secondary levels. By setting high standards for each student, Mother McAuley Liberal Arts High School hopes to instill a quest for knowledge and excellence as a life-long process.

In the words of Catherine McAuley, Mother McAuley Liberal Arts High School firmly believes in the "careful instruction of women." In this mission, it teaches the value of education and creative thought in a constantly changing world, it promotes the dynamic role of women in the family, Church and society, and it challenges each young woman to develop fully her God-given talents.

GOING GREEN INITIATIVE

Grading

Mother McAuley High School students receive grades of A, B, C, D, and F. These letters may be interpreted as follows:

A	93 - 100	Excellent Achievement
B	85 - 92	Above Average Achievement
C	77 - 84	Average Achievement
D	69 - 76	Below Average Achievement, but passing
F	Below 69	Failure

A "+" or "-" with a grade is an indication of the strength of the grade and has no numerical value. For purposes of rounding, the following percentages will be used: A- 92.45; B- 84.45; C- 76.45; D- 68.45.

The Honor Roll is based on a current GPA. Each quarter students may earn a place on the Honor Roll. 3.70 or above is the "A" Honor Roll, 3.00 to 3.69 is the "B" Honor Roll. A student whose grade point average is within these specifications, but who receives a grade of "F" in any course, is not eligible for Honor Roll status.

Mother McAuley Liberal Arts High School uses a 3 lane academic system. The 3 levels indicate A.P. Courses (level 1), Honors Courses (level 2), and Advanced Academic Courses (level 3). The relative weights, or mark points, of each level are:

	A	B	C	D	F
AP Courses - Level 1	5	4	3	1	0
Honors Courses - Level 2	4.5	3.5	2.5	1	0
Advanced Academic Courses - Level 3	4	3	2	1	0

Students enrolled in AP and Honors courses who receive a grade of "D" will earn only 1 quality point - the same as Level 3, Advanced Academic Courses.

1. Students are placed in different level courses, according to the recommendations of teachers, based on student performance. Incoming freshmen are placed based on entrance exam scores and the elementary school summary report.
2. In one subject, a student may be placed at one level and at a different level in another subject.

G.P.A.

Definitions of terms:

Credits Attempted	the sum of the credits of all courses taken with the exception of non-credit courses and summer make-up courses
Credits Earned	the sum of the credits of all courses
Mark Points	points assigned to credits attempted according to the grading scale
G.P.A.	mark points divided by credits attempted

N.B.: Make-up summer courses are not computed in the G.P.A.

Mother McAuley Liberal Arts High School does not report student's rank in class.

Report Card Distribution

First quarter grades are distributed at formal Parent-Teacher Conferences. First Semester and Third Quarter grades will be mailed home to parents/guardians. Parents will be notified of the dates. Second Semester grades (final grades in June) will also be mailed home.

In addition, progress reports are mailed home quarterly. Moreover, parents are encouraged to contact the respective teacher or level dean at any time during the school year if they wish to discuss their daughter's progress or program.

Progress Reports

Progress reports indicating a student's academic standing in each of her classes will be mailed home the middle of every quarter. Anytime thereafter, notification of failure may take place via written notification or telephone call.

Academic Testing Programs

Mother McAuley's standardized testing sequence implements nationally normed achievement tests as offered by the College Board (SAT) and ACT Corporation. This testing sequence provides students the opportunity to prepare for, both, the ACT and SAT college admission exams. In addition, testing results can be utilized to evaluate a student's academic skill set and college readiness.

1. The following nationally normed, achievement tests are administered during the constructs of the school day on National Testing Day in mid-October. The PSAT 9 is required of all freshman students. The PSAT/NMSQT is required of all sophomore and junior students. PSAT/NMSQT results determine junior students' National Merit eligibility, as defined by the National Merit Scholarship Corporation. Both, the PSAT 9 and PSAT measure a student's reading, writing and mathematics ability.
2. The following nationally normed, achievement tests are administered, third quarter, during the constructs of the school day (see all-school calendar). The PreACT is required of all freshman students. A practice ACT is required of all sophomore and junior students. The PreACT and ACT measures a student's mathematics, English, reading and science reasoning ability.

As a college preparatory institution, Mother McAuley expects all junior students to obtain an official ACT or SAT score. An ACT or SAT score is an admission requirement of most colleges and universities and may be used for admission, course placement, and/or scholarship eligibility. To ensure all Mother McAuley students have the opportunity to pursue post-secondary education as well as scholarship opportunities, **students will not be eligible to graduate without an official ACT or SAT score report.** For additional testing information please contact the Counseling Department Coordinator, Nichole Carey.

To be considered for the Illinois State Student Scholar program, a student must take the ACT or SAT during her Junior year.

ACTIVITIES

Academic Decathlon Club

Academic Decathlon is a National Organization that competes in seven academic subject areas as well as a Speech, Essay and Interview based on an annually changing theme. The subjects tested are art, economics, literature, mathematics, music, science and social studies.

Students or Decathletes love learning. Students are given materials in the summer before the year of competition, assigned a book to read according to the theme and are asked to begin writing a personal speech. The Club promotes academic growth, teamwork, diversity, honesty, respect and integrity. Our mission is to develop and provide academic competitions, curriculum, and assessment to promote learning and academic excellence through teamwork among students of all achievement levels. Our activities throughout the year consist of practice competitions by invitation from other schools, usually on Saturday. We will participate in at least two of these scrimmages that take place from approximately 9AM – 2PM. Every student must attend at least one of these meets. No student will be allowed to participate in the State Meet without attending a local scrimmage. The State Meet for qualifying students is mandatory and usually held around the second or third Saturday in March from 6AM – 9PM. We usually hold a fundraiser for our State entrance fee that involves the McAuley community. We also ask that you participate in a group service project during the holidays. Membership requirements are: any sophomore, junior or senior student may join. Transcripts from the past two years must be provided to the moderators. This will enable us to create a team of 3 A students, 3 B students and 3 C students, in addition to our alternates on the day of the scrimmages and State finals. This is a very independent learning process, therefore students need to understand the demand of the subject matter and be able to manage their time well. We will have a schedule of learning deadlines in place for each subject. Time requirements: Meetings will be held once a week to take practice tests and have a guest speaker present on each subject. We also will practice our speeches. If a student is unable to attend a meeting, they must take the practice test, deliver their speech and get the presentation notes from a team member. One excused absence is allowed. Please see your moderator with a specific concern. Most of the study is independent. This is an exciting and competitive team that has been very successful in its first year and we can grow to greatness with your help. We qualified for Nationals and had a famous cart ride!

Action/Reaction

Action/Reaction is a club committed to fostering a heightened student consciousness regarding social issues and to respond to them through in-school, as well as outside volunteer opportunities. A recurring outside activity is making and serving dinner to families who are staying at the Ronald McDonald House while their child receives medical care at Christ Hospital. It is our privilege to provide this service to such deserving and thankful families. We also make Valentines for Veterans, which are then distributed to a local veteran facility. There are no grade requirements for Action/Reaction members, but they are expected to attend meetings and sign up for service opportunities. Meetings are typically held at 7:30 a.m. and after school at 3:15 p.m.

All School Musical

Students may not attend rehearsal for the musical if they are absent from the school day, as defined by arrival NO LATER THAN 5TH PERIOD. Chronic absences and/or late arrivals from school during the period of the musical may result in dismissal from the company of the show, and will be determined by the student's dean. The musical is not an excuse to miss school. Cases of serious illness, emergencies, and absences during tech week and on performance days will be handled on a case by case basis at the discretion of the student's dean.

All company members are expected to meet and maintain strong academic standards, of a "C" average, during the musical. Assignments are to be turned in on time and the musical is not to be used as an excuse for late work. Students who experience academic distress during the musical should seek immediate help. Academic failure may cause a company member to be removed from the musical at the discretion of the student's dean. This policy includes any students on stage or involved in any crew or orchestra for the musical.

Appalachia

The Appalachia Mission Project will immerse you in the culture of Dickenson County through the process of service learning and praxis, putting your faith into action. We will look at the social justice implications of the region through learning, reflection, direct service, and relationship with the local community as well as our group. Our adventure begins with the pre-trip gatherings in which we are introduced to the way of life of the people we will be serving. During the week-long trip, we spend time doing physical labor to alleviate the pressures of poverty and then reflect upon our actions and thoughts. Local community members share with us their gifts, such as food, music, art and their work with women, race, environment, and poverty issues. After the trip, we look at our insights and the changes in our way of seeing the world and try to put those into words and actions. Juniors and seniors are eligible to apply to participate in the program. The application process starts in the fall and includes a review by teachers, deans, and counselors. No more than 20 students participate on each mission trip. Usually the spring break trip is for seniors and the summer trip is for juniors.

Book Club

Through the discussions of various works of literature, the Book Club promotes critical thinking and effective communication while nurturing the habit of reading for pleasure. The Book Club is open to all students.

Campus Ministry Team

Junior and senior students apply and are selected to be part of the Campus Ministry Team in the Spring. The team is responsible for planning Masses, prayer services, and grade school retreats. It is an enriching, faith-immersive experience to be part of the Team.

EcoMacs

The EcoMacs is an environmental service club. Through monthly meetings and projects, like paper recycling, campus cleanups and prairie maintenance, they strive to educate the McAuley community on important environmental issues. Additionally, the EcoMacs encourage students and the community to recognize their role in helping the environment. All McAuley students interested in the care of our earth are welcome to join.

Eucharistic Minister: In this ministry junior and senior students are called to give the Blessed Sacrament of Holy Communion at liturgical services. Students are trained and mandated by the Archdiocese of Chicago for two years of Eucharistic Ministry service. In this ministry students are able to grow in their knowledge of the Eucharist in order to distribute the Body of Christ more reverently.

Fashion Club

This group is for students in any grade level who are interested in fashion and learning to sew. Fashion Club provides sewing skills, helps to develop an individual sense of fashion and explores careers in fashion, merchandising, and sewing. Students meet twice a month on Wednesdays from 3-5pm beginning on October 4, 2017. Throughout the year, students will create and sew pillows, hats and scarves for service provided to Ronald McDonald House and Project Linus.

French Club

The French Club is an organization designed to stimulate interest in the French language and culture. A student of any level may join if they are currently and/or formerly enrolled in French. Students must attend meetings and participate in at least one event per semester to be considered a member of the French Club. Some club activities include sampling French cuisine, experiencing French culture and coordinating school wide activities for National French week.

Intramurals

Intramurals seeks to engage all students regardless of skill level or experience in a wide variety of fitness and wellness activities. Students meet once a month to choose a particular activity or sport in which to participate.

Junior Classical League

Junior Classical League provides students studying Latin with an opportunity to meet socially and to participate in fun activities together. Each member is encouraged to enlist an eighth grader for Latin I. Members are required to continue her study in Latin; sophomores must be enrolled in either Latin II or II Honors, juniors must be enrolled in Latin III Honors and seniors must be enrolled in either AP or Latin IV Honors. Girls must also maintain consistent attendance of JCL meetings and taking part in the bake sale in the fall to remain in good standing. Girls also participate in a few other major events throughout the year, most notably the Not So Haunted House, Ides of March Bake Sale, and the Lang. Honor Societies Induction Ceremony in April.

Lector: The Word of God is too significant in the life of the believer to be casually read instead of reverently proclaimed. Students of all levels who volunteer for this ministry are trained in techniques and style that can enhance this proclaiming.

Liturgical Ensemble: This ministry allows singers and musicians to use their gift of song to lead the McAuley community in prayer during masses, prayer services, and special spiritual events. This ministry is open to students of all grade levels and talent levels. Participants are not required to be involved in any music classes. Liturgical Ensemble believes what St. Augustine teaches: "He who sings prays twice."

Mac Money

Mac Money is a Mother McAuley Club that provides opportunities for members to explore and learn about the business world and careers in business, learn experientially about the US Stock Market, and make connections for life beyond McAuley. Mac Money members participate in a Stock market game, learning about how to invest and competing to see who makes the greatest profit. Additionally, throughout the school year, Mac Money hosts conversations with successful businesswomen (usually McAuley alumnae). All McAuley students are invited to join us for these casual and extremely informative conversations. Students of all levels are welcome to join Mac Money. We meet approximately twice a month, after school, for about a half hour.

Math Macs

Math Macs are McAuley students with special talent and interest in the field of mathematics. They participate in math competitions with other high schools in the Chicagoland area. Any student can attend the first three competitions and participate as individuals. To participate in team events, students must attend the scheduled practices prior to the competitions. For the official state competitions, we can only bring ten students per grade level. Students are invited to participate in the official state contests based on their participation and performance in the first three competitions. All competitions are held on Saturdays.

Mock Trial

The Mock Trial Club is an educational and fun experience for all levels of high school students. In addition to learning courtroom procedures, making real world connections with attorneys and alumnae, and honing oral and persuasive skills, students learn how our society's legal mechanism works to resolve disputes. Students also develop valuable life-long skills such as critical thinking, questioning, listening, strategic thinking, as well as skills in oral presentation and organization. Many students participate in a regional tournament against other high schools with the potential to move to a statewide competition in addition to fulfilling leadership roles in the school and the larger community through service projects. Some students may participate in a regional tournament against other high schools. This is an ideal activity for students who are interested in law or law-related careers or wish to strengthen their public speaking skills or persuasive writing and argumentation.

Model U.N.

Model U.N. is an exciting opportunity for students from McAuley to join students from other high schools to discuss political, social and economic issues that are impacting the world community. Students act as diplomats for assigned countries at a Model United Nations conference and learn the skills of research, resolution writing, and informal and formal debate. Students in Model UN spend three to four days at conferences sponsored by various universities. These conferences are facilitated by university students who use the same meeting framework as the United Nations in New York. The club meets regularly on Fridays.

Planner: Effective liturgy requires careful preparation and creative planning. This ministry invites junior and senior students to take ownership of their prayer life by meeting regularly to plan and coordinate student liturgical celebrations. Planners offer their creative ideas and organizational abilities to create imaginative and prayerful liturgical celebrations to express the faith of all students and engage them in the worship experience. The goal of the planner is to find creative ways to engage students in the liturgy. The planner is also involved with selecting a priest, songs, dance, and themes.

Primary Colors

Primary Colors is a club that is open to all McAuley students who are interested in art, regardless of previous formal experience. Using a variety of techniques and media, this club provides the student with an outlet for self-expression and creativity. Students create themed seasonal projects in a variety of medium, selected by the members of the club. Students also raise money to purchase supplies for projects. Involvement in this club requires that students also be involved in fundraisers.

Quill and Scroll

Quill and Scroll is an international honorary society for high school students who excel in some phase of high school journalism. Road Runners

"I run like a girl, try and keep up!"

The Mighty Mac Road Runners is a running club that seeks competitive and non-competitive runners of all running abilities. The club promotes a healthy life style by using running to build physical strength and endurance. The club also provides a great social network among runners to help achieve personal running and fitness goals. The running group meets 1-2 days a week after school between March and May (weather permitting) and completes a daily workout based on running level that leads to a completion of a 5K race at the end of the season. Club members also volunteer at local road races on request to help build relationships outside of the McAuley Community.

S.A.D.D.

Students Against Destructive Decisions (S.A.D.D.) is an organization with the purpose of educating young people on the dangerous consequences of alcohol and drug use and of drinking and driving. Our chapter of S.A.D.D. distributes red ribbons to promote sober driving, sponsors students' attendance at Operation Snowball Weekend, distributes educational and promotional materials to all students, and sponsors S.A.D.D. Awareness Week. Students also work in partnership with Operation Teen Safe Driving (OTSD) to sponsor a safe driving campaign and worked with Student Council to promote McAuley's anti-bullying initiative "Macs Choose Kind." SADD meets once a month and members are required to attend both meetings and SADD sponsored events.

Sailing Club

The sailing club is dedicated to teaching the participants the basics of sailing, safety, sportsmanship, leadership, endurance, directional skills, teamwork and racing. We are enthusiastic to have students of all ability levels join the program. This is a lifelong skill and experience. Sailing dues are \$350.00 per season (Fall and Spring) Regatta fees vary and are additional. Students participate in local and out of town Regattas against and combined with other Illinois High Schools. Students practice at least 3 times a week and additional practices are necessary if a regatta is scheduled. Practice is at the Columbia Yacht Club in Chicago and students obtain their own transportation within the club. Each participant must have a U.S. Coast Guard approved type III life jacket, rubber soled, closed toe shoes, and must be able to swim 50 yards. Some practice gear is available to use for free at Columbia. Students are on a team which is combined with Brother Rice and will demonstrate camaraderie, develop leadership skills, and interpersonal relationships. Open House representation, fundraising efforts within the school, and team competition viewing are open to the public.

Science Bowl

The purpose of the Science Bowl Club is to engage students' interest in science in a fun and competitive manner. The club challenges students to strengthen and go beyond their current science knowledge which is enhanced through working with other club members to answer science and math questions in a quickly-paced format. The main event of the year is participation in the Regional Science Bowl with a possibility of attending the National Science Bowl in Washington, D.C. Through scholastic competition, the club fosters competitive skills, adherence to rules and time limits, and a sense of good sportsmanship.

Science Club and WISE

The purpose of the club is to encourage students to learn about science in their everyday life. The Science Club fosters the quest for knowledge by learning through chemistry, physics and earth science experiments conducted monthly after school. For students to be considered a member of Science Club, they need to attend at least 4 meetings by May elections. Science Club conducts an experiment every month, after school, from September to April. Members sponsor a Mole Day bake sale in October and some members have the opportunity to present an experiment at various local science fairs.

The purpose of the Women in Science and Engineering (WISE) club is to encourage students to pursue Science, Technology, Engineering, and Math (STEM) careers. It meets at least once per month. Activities include engineering speaker presentations, hands on experiments, and Girls Who Code Initiatives in learning software.

Spanish Club

The mission of the Spanish club is to help create understanding and promote enthusiasm for the various aspects of Spanish-speaking cultures and the Spanish language. The moderators, with the help of student officers, organize and provide activities that extend and enrich language and classroom learning. Students engage in cultural activities that include crafts, games, making and eating Hispanic foods, watching videos in Spanish, special guest presentations and occasional trips to restaurants and exhibits. The club participates in two service projects every school year – one with the neighboring members of the community and one within the McAuley community itself. Club members also participate in fundraisers to curtail club expenses. Membership is open to any student that is currently enrolled in a Spanish class. Meetings are held once a month after school and focus on a cultural aspect of the Spanish-speaking world. Students participate in fun and educational hands-on activities to enhance their understanding of Hispanic cultures.

Speech Team

Speech Team members have the opportunity to compete in any of six different categories under the direction of the Chicago Catholic Forensic League. For students seeking an alternative theatre outlet, the Speech Team provides a unique opportunity to develop speaking and performing skills that help build confidence and poise in stress-filled situations. Members meet in paired groupings weekly to workshop material and report their progress to the team moderator and captain. In addition to weekly practice, members must attend a monthly team meeting.

Stage Crew

This activity provides students of all levels the opportunity to learn set and prop construction, carpentry skills and design techniques. Students are primarily responsible for assisting in the production of school shows. Running crew, set and prop movement, is comprised of those students who have consistently contributed time and effort in the construction of sets.

Student Ambassadors

Student Ambassadors are dynamic young women dedicated to the mission of Mother McAuley Liberal Arts High School. Grounded in the charism of the Sisters of Mercy, Student Ambassadors positively witness to the surrounding community, most importantly prospective students, and the values of single gender education within the Catholic Tradition. Specific criteria and requirements must be met for membership.

Student Ambassadors are visible at various events where prospective students and families are present in order to highlight the “lifetime advantages” of an education at Mother McAuley Liberal Arts High School. While serving Mother McAuley Liberal Arts High School in this capacity, Student Ambassadors have the unique opportunity to develop and receive training in communication, public relations and interpersonal skills.

Student Council

The purpose of Student Council is to contribute to the development of student leadership and enthusiasm within our school community through:

- respecting the uniqueness of each person
- encouraging and supporting the growing leadership qualities of students
- promoting school spirit and pride in accomplishments
- serving as a liaison between the McAuley administration and students regarding mutual concerns, problems and events

Student Council strives to promote and lead a new event each month that involves both students and faculty/staff.

Tech Crew

The Tech Crew allows a student to excel in the technical aspects of theatrical production. In conjunction with the auditorium manager, these students serve not only their school, but the outside community as well through their work for auditorium rentals. The International Thespians Society is an honor society for high school theatre students. The organization is dedicated to the teaching and appreciation of theatre. Students meet regularly with their school troupe and are also given opportunities to attend theatre conventions. Scholarships are available through the International Thespians Society to talented students planning to study theatre in college. Students serve the school and community through their work on the Audition Workshop, Not So Haunted House, and the Grade School workshop. They also participate in Girls Night Out and other activities. Any student with an interest in Theatre may join as an apprentice member, but full membership in the society requires earning a minimum of 10 points based on Theatre work, classes, workshops, etc. Students earn additional points to gain the ranks of Honor, National Honor, and International Honor Thespians. Members are required to attend all meetings and events.

UNITY Community strives to provide a gathering/discussion-based group that celebrates our differences. UNITY Community is for EVERYONE. Whether we are hosting a film fest, discussing an article on a current event or timely topic, learning a dance, or engaging in a service project, we are working together to promote diversity awareness and celebrate the rich traditions and heritages that are part of our Mother McAuley experience. We meet every other week and as necessary to plan events.

Women Who Write

Women Who Write is a club centered on expression through the written word. Writers will find a safe place to work on their craft in a variety of formats such as stories, poetry, and spoken word. The goal of Women Who Write is to write and share. Opportunities to share include reading at our club meetings, open mic nights, and possible inter-school competition teams. Competing in the youth poetry competition LTAB is another opportunity. Members should expect to work on their writing, share their writing with the club and eventually with a public audience. We meet twice a month and performance teams will meet more often. Members should be respectful of all writing talents. Sharing our writing brings the club members closer together. This relationship needs to be respected.

Worship Dancer

Through dance and worship, this ministry group invites the congregation to participate in liturgical services with their whole body and soul. Various dance styles are incorporated to engage the entire community. All levels are invited to participate

ATHLETIC PROGRAM

Athletics is an important part of education at Mother McAuley Liberal Arts High School. If an athlete dedicates herself to our program, she will have the opportunity to reach her maximum athletic potential through extensive training and comprehensive coaching.

The Athletic Department is concerned with the mental, emotional, social and physical development of the student athlete. Through our athletic program, the student athlete learns to develop her own physical abilities, to work together and to become a functioning member of a group. She learns to act for the good of the group; she also learns to accept rules, judgments and elements of fair play. Our ultimate goal is to produce young women who are proud to have been a part of Mother McAuley Liberal Arts High School athletics, and who have the capacity to be successful in our highly competitive society upon graduation.

During the season in which the student participates, the student athlete must work to maintain an over-all "C" average. Moreover, the athlete must be in good academic standing in all classes or at least be making progress in areas of academic difficulty. If a student is working at less than a "C" average or becomes involved in a school disciplinary action (suspension, on probation), the situation will be reviewed by the level dean, athletic director, coach, and teacher(s) involved. Appropriate action will then follow.

Mother McAuley Liberal Arts High School is a member of the Illinois High School Association (I.H.S.A.), the

sanctioning body for interscholastic high school athletic competition in Illinois, the Girls Catholic Athletic Conference (G.C.A.C.), and the Metro Catholic Aquatics Conference. The following interscholastic sports are offered at Mother McAuley Liberal Arts High School: basketball, bowling, cross country, golf, soccer, softball, swimming and diving, tennis, track & field, volleyball, water polo and lacrosse. McAuley also hosts a variety of intramural activities and summer camp programs.

ACADEMIC POLICIES

Academic Dishonesty

It is the belief of educators at Mother McAuley Liberal Arts High School that academic dishonesty by students degrades their character and reputation, impedes the teaching-learning process, and is in opposition to the Christian values inherent in the philosophy upon which this school is based.

Cheating on an examination or the use of other forms of dishonesty (including plagiarism – see below) in earning academic grades is considered to be a serious offense which calls for a zero (F) grade on the academic work involved, with the quarterly or semester grade being lowered in proportion to the importance of this work. During testing situations, gesturing, talking to and/or with another student, looking at another student's paper, whether copying or not, and placing a test answer paper in a position so that another student may easily see it, or any other inappropriate or suspicious test taking behavior, subjects the student to an automatic grade of zero (F). In the case of final examinations, the student could also fail the course. Sharing work, information, answers, possessing testing materials, removing, transferring, transmitting, or sharing any testing materials in anyway (whether electronically, copied, or handwritten) with another student constitutes cheating. All students involved will receive a grade of zero (F). At the discretion of the level dean, additional disciplinary action may be taken including suspension or Behavioral Probation. All cases of dishonesty are reported to the level dean, and teachers will call the student's parents.

"Plagiarism is offering the words or ideas of another person as one's own. Major violations are:

- The use of another student's work
- The purchase of a canned research paper
- Copying whole passages into a paper without documentation
- Putting specific ideas of others into your own words without documentation" (Lester 91)

Lester, Sr., James D., and James D. Lester, Jr. Writing Research Papers. 11th ed. New York: Pearson-Longman, 2005.

Turnitin.com is a writing tool that helps students produce quality essays, reports and research papers. Features of this program enable students to check their work for potential plagiarism by comparing it against the world's largest comparison database. Turnitin shows how much of the student's submission matches content from other databases so students can quickly understand how much content is unoriginal and edit their work as necessary. Students are able to re-submit their revisions until they meet the criteria in place for the assignments. Turnitin provides students with legible, timely feedback on their writing. Overall, the program ensures originality, streamlines peer reviews and simplifies the editing process.

Academic Probation

Academic Probation can be imposed on students experiencing serious academic difficulty. Probation is a period of time during which the student will be monitored and evaluated in an attempt to have the student improve her academic performance and prevent her failure of a course. Students may be assigned to a required study and excluded from field trips. Elective courses may need to be forfeited to accommodate this.

The duration of academic probation will be determined by the dean. A student on academic probation must demonstrate sufficient improvement to have the probation ended or be subject to an administrative review which could result in dismissal.

Failures

A student must earn a minimum of 7 full credits each year to progress to the next year.

1. If a student fails a required course, the credit for that course must be earned at McAuley summer school before the student may return the next year. This may require 1 credit or ½ credit dependent upon whether the student failed the full year or a semester.
2. If a student fails any elective course and the effect is that the student did not earn 7 full credits during the school year, the student must make up the lost credit by taking an elective course during summer school.
3. No more than 1.5 credits of makeup work may be earned in Summer School per summer.

Multiple Failure Policy

A student who fails more than 1.5 credits (3 semester courses) in a given academic year will not be allowed to return to Mother McAuley the following semester. Furthermore, any student who accumulates 3 or more credit failures (six or more failed semesters) throughout their academic career is at risk of continuing or returning to McAuley. Should a student fail any additional classes the subsequent semester, she will forfeit her enrollment at Mother McAuley Liberal Arts High School. Students who fail two or more courses or have a G.P.A. that falls below a 1.5 in a given academic quarter or semester, can be placed on Academic Probation.

BEHAVIORAL CODE OF CONDUCT

As a Catholic/Christian school, Mother McAuley Liberal Arts High School High School expects moral and ethical behavior and decision making reflective of the Gospel of Jesus Christ and the teachings of the Catholic Church. Since Mother McAuley Liberal Arts High School students are expected to show Christian consideration, individual respect and concern for all in the school community, the code of conduct is intended to provide for the students, their parents, and the faculty an understanding of the behavior patterns expected of students and the procedures used in maintaining that standard of conduct. In light of this, any misconduct on the part of the student, such as: disrespect or discourtesy towards school personnel, visitors or other students; immature and inappropriate conduct; hazing or bullying; threats, verbal, written, or gestured; vulgarity; forgery; classroom disruptions; leaving the school campus; littering the school building and grounds; inappropriate behavior in the study hall, learning centers, dining hall, washroom, or corridors; tampering with or destruction of hallway displays or locker decorations; and any other behavior warranting disciplinary action will not be tolerated. Students traveling to and from school, attending/participating in events or activities identified with McAuley are expected to abide by McAuley's code of Christian respectful behavior and values.

Students experiencing difficulty in interpersonal relationships are expected to participate in a conflict resolution process. The Dean/Counselor will assist student(s) in this process.

Absence - Extended

When notified by parents that a student will be out of school because of an extended illness, the following procedure will be initiated:

1. The level dean requests teachers to assign work. **Assignments may be picked up in the Main Office 24 hours after the request has been made.**
2. The level dean checks with teachers to determine if requirements have been met to grant credit at the marking period.
3. A doctor's note must be presented to the level dean prior to the first class of the day she returns.

Absence for Trips

Mother McAuley Liberal Arts High School discourages and disapproves of families taking a student out of school for family trips during the 9 1/2-month school year.

If a trip must be taken during the school year, then the procedures are as follows:

The procedure for obtaining a trip form is as follows:

1. The student presents a note from her parents regarding the date and reason for the trip to her level dean at least **two weeks prior to the trip.**
2. It is the student's responsibility to make up any missing work.
3. The student will take the trip form to each faculty member for comment on how this absence will affect the academic status of the student.
4. The completed copy is returned to the level dean who will keep it on file.
5. Absence due to trips in combination with additional absences could place a student on Attendance Probation.

After School Activities

Students who are involved in extra-curricular activities must obey the directives of a supervising faculty member or coach. The school does not assume responsibility for students remaining in the school without permission. All school policies are in effect for before, after school and weekend activities.

At 3:20 p.m. (2:15 p.m. on Thursdays) any student remaining in the building will be required to go to the Library for supervised study.

A student who is absent from school on the day of an activity will not be permitted to participate. Any exception may only be approved by the level dean.

Attendance Policies

Mother McAuley Liberal Arts High School firmly believes that regular attendance is an integral part of a student's total educational experience. Consistent class attendance is necessary to insure continuity in learning and to promote academic success in McAuley's challenging curriculum. An engaged learner's daily interactions cannot be replicated or replaced due to the direct correlation between consistent attendance and academic excellence. Attendance and participation are part of the academic requirements in each class at McAuley. Therefore, McAuley requires consistent daily attendance.

If a student accumulates more than 5 absences in a semester then a parent will be notified by letter from the

Level Dean. If the student accumulates 10 absences in a semester, then a mandatory parent meeting will be held and she will be placed on Attendance Probation. Any students with a questionable absence/tardy pattern may also be placed on Social Suspension.

A student is allowed one excused tardy per semester. (Please see tardy policy on page 41).

A doctor's note may be requested if illness is used as a reason for absence or if the absences are sporadic. Any absences for trips, college visits, etc., are part of this repeated absence policy. Repeated missing of tests and assignments will be dealt with on an individual basis through the best judgement of the teacher. A student with questionable or repeated absenteeism can be denied credit for the classes or individual classes missed.

In the event that a student is ill or must be out of school, parents must call the school **before 9:00 a.m.**

TO REPORT AN ABSENCE, PLEASE CALL 773-881-6518

Upon returning to school, the student should present a written excuse from the parent/guardian, giving the name, date, days absent, and the reason for the absence to her 2nd period teacher. These notes are kept on file until June.

If a student anticipates an absence, a note must be brought to the level dean prior to the anticipated date of absence.

A student who is absent from school on the day of an activity will not be permitted to participate. Any exception may only be approved by the Level Dean.

All missed work during an absence will be made up. A student must take a missed test the day she returns to the specific class. If a student has missed any assignments (not tests or quizzes), she has the corresponding number of days to make up the work.

Attendance Probation

Students placed on Attendance Probation may be denied credit for classes missed, denied the opportunity to go on field trips, and if attendance does not improve, may be asked to withdraw from Mother McAuley. A mandatory parent meeting is required for all students placed on Attendance Probation.

A student on Attendance Probation must bring a physician's note written on physician's stationery to her level dean for any subsequent absences in order to be permitted to complete make-up work. This policy also applies to students with questionable tardiness patterns.

Attendance Record

The official record of attendance will be taken at period 2. Attendance will appear on the report card and the official transcript. Only school sponsored field trips and retreats are not recorded as days of absence.

Beverage Containers

Approved water bottles that may be carried during the school day are McAuley Camelback displaying our shield. If students choose not to carry the bottle with the McAuley shield, they can purchase and use water bottles that are clear, spill proof and non-disposable. Both options ensure that students will be limited to drinking water and alleviate any concerns of ruining electronic devices. No other beverage containers may be carried during the school day.

Building Access

1. When school is in session, the building will open at 6:30 a.m. and close at 5:00 p.m.*
2. Students may not be in any classrooms or any other area of the building, unless supervised by a McAuley faculty/staff member.
3. For safety reasons, certain areas of the school are restricted. Students may not be in the McAuley Theatre, foyers or gym locker rooms unless assigned to a class in these areas.
4. At 3:20 p.m. (2:15 p.m. on Thursdays) any student remaining in the building will be required to go to the Library for supervised study.

*From 6:30-7:00 a.m. students should remain in the dining hall. *From 2:50-3:20 p.m. students may wait in the lounge. At 3:20 p.m. any students still waiting for a ride will be directed to go to the Library until 5:00 p.m. Students may not leave the building, then plan to re-enter. The building closes at 5:00 p.m. and all students are expected to be picked up by this time.

Bullying/Harassment/ Cyber Bullying

Mother McAuley Liberal Arts High School promotes a productive learning environment where any type of unacceptable conduct will be prohibited. Bullying and harassment are defined as behaviors by an individual

or group, that are harmful/hurtful to another, or which can create a hostile or threatening environment. Bullying/harassment includes, but is not limited to, any behavior that is cruel, abusive, and humiliating; physical, verbal, or non-verbal threats, intimidation, social exclusion and isolation; defamation, and the spreading of gossip and/or rumors.

Bullying/harassment can take place in person or by the use of computer or telecommunications to send embarrassing, slanderous, threatening, or intimidating messages. Interacting with people online is no different than interacting with individuals face-to-face; therefore, students are expected to act respectfully and with dignity when communicating through social media. Students must understand that they are accountable and use discretion for their postings and other electronic communications, as these communications represent the student and the school. Publishing text or images online which defames, libels, criticizes, ridicules, embarrasses, bullies or in any other way harms others, especially a member of the Mother McAuley Liberal Arts High School community or the reputation of Mother McAuley Liberal Arts High School is strictly prohibited.

The scope of this policy includes the prohibition of every form of bullying, harassment, and cyber bullying/harassment, whether in the classroom, on school premises, immediately adjacent to school premises, when a student is traveling to or from school (portal to portal), or at a school sponsored event, whether or not it is held on school premises. Bullying or harassment, including cyber bullying/harassment, that is not initiated at a location defined above is covered by this policy if the incident results in a potentially material or substantial disruption of the school learning environment for one or more students and/or the orderly day to day operations of any school or school program. Since bystander support of bullying and harassment can encourage these behaviors, Mother McAuley Liberal Arts High School prohibits both active and passive support for acts of harassment or bullying.

Mother McAuley Liberal Arts High School believes that standards for student behavior must be set through interaction among the students, parents and guardians, staff and administration of the school, producing an atmosphere that encourages students to grow in self-discipline and their ability to respect the rights of others. The development of this atmosphere requires respect for self and others, as well as for school property on the part of students, staff, and parents. Mother McAuley Liberal Arts High School has no duty to regulate off-campus internet messages, statements, postings, or acts. Nevertheless, Mother McAuley Liberal Arts High School reserves the right to regulate, review, investigate and discipline students for bullying, harassment, intimidation and/or cyber bullying or any other disciplinary violations when such activities threaten violence against another student, or otherwise disrupt the learning environment or orderly conduct of the school, school business, or school activities. Students who engage in any kind of harassment/bullying will be subject to appropriate discipline, including suspension, dismissal, or expulsion. Harassment of any kind should immediately be reported to an administrator who will then conduct a thorough investigation followed by a mandated conflict resolution.

Bus Transportation

Bus service through a private school bus company is available for a fee. The cost and routes vary each year. Questions regarding transportation should be directed to the Main Office.

Other students arrange for their own transportation in car pools, the CTA, PACE, or suburban bus lines.

The bus driver is the responsible authority in charge of the bus, and as such, he/she can expect that students are courteous and considerate at all times. Students who fail to show courteous/considerate behavior and/or fail to follow bus rules and regulations may be prohibited from riding the bus.

Calculators

A teacher has the right to ask a student to clear the memory of a calculator prior to any testing situation. The school does not assume responsibility for lost or stolen calculators. Each student must etch or indelibly print her name on her calculator to aid in identification of lost or missing calculators.

Cellular Phones

Cell phones are not allowed to be carried or used during the school day in the hallways or classrooms. Cell phones should be turned off and placed in the student's locker. Students may use their cell phones to check text messages during their lunch period ONLY in the dining hall. Limitations may be applied as needed and this policy is subject to change. Cell phones used at any other time or place will be confiscated and a \$25.00 reclamation fee and a Saturday Jug will be imposed. Confiscated phones may be reclaimed from the level dean. Upon a second offense, the fine will be \$50.00, a Saturday Jug and a parent will be required to reclaim the phone from the level dean. Continued offenses will result in Behavioral Probation and additional consequences determined by the level dean.

Cheating

The sharing of any class work, including but not limited to, homework, term papers, and projects is considered

cheating. In addition, sharing information, transmitting, answers to a test, possessing testing materials, removing or sharing any testing material in any way (text messaging, electronically, copied, duplicated, or handwritten) is cheating. All students involved will receive an automatic grade of zero (F) and the teacher will call the parent. At the discretion of the level dean, the student may also be suspended and placed on Behavioral Probation.

Contagious Disease

If a student is suspected of having a contagious disease, the student will be sent home. Students who have been absent because of a contagious disease must have a doctor's note indicating that the student is free of the contagious disease and able to return to school. **The doctor's note must be presented to the school nurse prior to the first class of the day.**

Custody

In cases where parents are divorced or separated, the school can presume that both parents have access to the student. **If one or the other parent has been denied this privilege, it is the parents' obligation to make this known in writing to the proper level dean.** Mailings and student information are directed to the custodial parent.

Dances

Parents must sign the appropriate permission slip for a student to attend a class dance or the Senior prom.

- On the day of the dance, including the day before prom, students must be in school the full day. No early dismissals should be requested.
- All disciplinary responsibilities (jugs, after school detentions, dining hall detentions, fines, etc.) must be met and satisfied before a student would be allowed to purchase a ticket to her level dance, including prom.
- All financial responsibilities must be met for a student to attend prom.
- Class dances – Freshman/Sophomore and Junior/Senior dances are traditional male and female semi-formal dances.
- Male escorts must be under the age of 21 and must wear appropriate semi-formal attire.

Each girl must clean her table and surrounding area and leave it in good order for the next student.

Additional expectations include the following:

4. **All school policies, including the uniform policy, are in effect while students are in the dining hall and lounge.**
5. No outside food may be ordered by students and delivered to the school during lunch periods.

Students with dining hall detentions will:

1. Check in with dining hall monitor upon entering the dining hall.
2. Be assigned to the dining hall detention table.
3. Clean the dining hall for the last 10 minutes of the period.
4. Check out with the dining hall monitor before leaving the dining hall only after the dining hall is completely clean.
5. Failure to follow dining hall detention procedures will warrant further disciplinary action by the level dean.

Early Dismissal

Early dismissals are discouraged and because they have the same effect as absences, they will be counted as part of the "Repeated Absence" policy. Requests for early dismissals are to be submitted to the appropriate level dean before the first period class. Early dismissals will be granted only if the request is made in writing and signed by the parents. Phone calls will not be accepted for early dismissal.

In addition, announcements will be made on Radio, Television and posted on PlusPortals (www.plusportals.com/MotherMcAuley) and the school's web page. Information may also be obtained by calling the Main Office at 773-881-6500.

Semester exams are scheduled and included in the school calendar. Quarter Assessments are scheduled during the week prior to the end of each academic quarter therefore; all students are expected to be present on these days. (See Exam Schedules.) **Vacations/trips must not be planned during these days.** Second semester exams may not be made up. A student absent for her second semester exam may receive a grade of F for the exam and this may result in failure of the course.

Fighting

Fighting is a serious offense. Fighting, whether physical or verbal, will warrant disciplinary action and may result in expulsion. The school recognizes that inter-personal conflicts are a normal part of daily relationships. However, students are expected to respect one another and their teachers, to talk through misunderstandings, and seek appropriate adult mediation and participate in conflict resolution.

Fire Drills

Fire drills are necessary for the safety of the students, faculty and staff. Everyone should know the specific directions for reaching a point of safety from those areas of the building in which she may be. Fire evacuation information is posted in every room.

General Rules for Fire Drills:

1. Close windows.
2. Students will follow designated exit instructions, keep in single file, walk, not run, refrain from talking, and proceed to a distance approximately 100 feet from point of exit.
3. The teacher should be the first one out of the room, should take the class roster and keys, and remain with the class.
4. The last student out should close the door.
5. The teacher will take attendance once the group has reached its proper distance from the building.
6. When the all clear is sounded, all will return to their classrooms in the same orderly fashion.

Note: Fire drills are very important and serious exercises which may save your life. You are expected to act accordingly.

Forgery – Tampering With School Documents

Forging/falsifying parent, guardian or teacher signatures and/or changing/creating any school related documents or grades, tampering/altering/assisting/disposing of school documents (attendance slips, detentions, progress reports, failure warnings, parent notes, etc.) are all serious offenses. Each individual occurrence will result in behavioral probation and the student's parent/guardian will be notified and additional consequences will be determined by the level dean.

Gang Activity

Gang activity will not be tolerated at Mother McAuley Liberal Arts High School. Any student suspected of engaging in any gang-related activity will be immediately suspended from classes. Her parents/guardians will be contacted and she is subject to expulsion. Some examples of gang-related activity include but are not limited to the following: use of hand signs; drawing of symbols on school property, books or clothing; wearing gang colors, symbolic clothing, jewelry or symbols; harassment of students while in school or while traveling

to and from school or while participating in school-related functions.

Participation in the graduation ceremony is a privilege:

1. Students must be in good standing.
2. All behavioral obligations must be completed.
3. All financial obligations including tuition and any fines incurred throughout the year must be fulfilled.
4. Graduates are to wear modest, pure white, formal length dresses, white shoes and white gloves. Dresses should be no shorter than two inches above the ankle. Dresses that reveal the body around the stomach, navel, lower back, sides, and thighs, or that expose cleavage are not appropriate and may not be worn to graduation. Any visible body piercing, other than earrings worn in the ears, is not allowed. Tattoos may not be exposed. Athletic shoes, slippers, slides, and flip-flops are not to be worn.

Gum

The chewing of gum is not permitted in school at any time or any place. A student who violates this policy will be issued a detention.

Halls

No shouting or excessive noise is allowed in the halls at any time. Students may not sit on the floor in the halls or in front of lockers at any time. Students must go to dining hall/lounge before and after school. Students should move quickly through the halls and keep to the right during all class changes. Students may not be in the halls during class time unless they have a Hall Pass. Students going to lunch need to move quickly and quietly to the dining hall. Any disruptive behavior in the hall, including pushing and "bookchecking," will necessitate a detention. Students must spend their open period in a Resource Center, lounge, library or an assigned study.

Posters hung in the school must first be approved by a dean and may be displayed only in approved areas. No posters will be hung on painted surfaces.

I.D. Cards

I.D. cards are part of the uniform; therefore, a student must wear her I.D. card at all times, around her neck on a McAuley lanyard. I.D. cards are to be kept for four years. If a student loses her I.D. card, she must purchase a replacement at the cost of \$6.00 from the Main Office. I.D. cards will also carry bar codes for use in the library. A student must report a lost I.D. to the library or be subject to responsibility for books and/or fines attached to the I.D. Students may not deface their I.D.'s, if a student defaces her I.D. she must purchase a replacement I.D. card at the cost of \$6.00. If a student transfers from McAuley, she must surrender her I.D. card. Students not wearing an I.D. will receive a detention. Students attending class at Brother Rice will be issued a special I.D. These are to be carried at all times and are to be presented to the monitor on duty.

iPads

All students are expected to abide by the rules and regulations of the iPad User Agreement, which can be found on PlusPortals (www.plusportals.com/MotherMcAuley).

Insurance

The school does not provide student medical insurance coverage. Parents, however, may apply for the Students Accident Insurance plan provided by the Markel Insurance Company which offers either "in-school" or "twenty-four hour" coverage. Applications for this insurance will be distributed to the student during the first weeks of school. Students not covered by the Markel Insurance Company plan must rely on their own family insurance coverage.

Language

Vulgar language, swearing, gestures, name calling, racial slurs, ethnic harassment/ridicule will not be tolerated. Such behavior will result in a minimum of an after school detention. When warranted, further disciplinary action, including expulsion, will be taken.

Lockers

The school assigns lockers for students. Locks must be purchased from the school. The sharing of lockers is prohibited. Students should keep the assigned locker locked at all times with a lock issued by the school. Students are prohibited from using empty lockers for personal use. After closing the locker, students should spin the dial several times to insure that it will not be easily opened by another. Sharing locker combinations negates the security of the locker. **THE SCHOOL IS NOT RESPONSIBLE FOR SAFEGUARDING PERSONAL PROPERTY.** Students may not write on or in their locker or any other student's locker. This is con-

sidered vandalism. Any students found in violation of this policy will be required to clean their lockers. Repeated violations may result in locker relocation. Each student is responsible for the cleanliness of her locker. It is the student's responsibility to report broken lockers to the Main Office.

Lockers are the property of the school and are under the direct control and supervision of the administration. Lockers will be inspected periodically. Furthermore, the administration may inspect lockers at any time for the following reasons: to look for stolen library items, textbooks, school equipment and supplies; to remove health hazards; to check for necessary repairs; to confiscate illegal items. A student will be assessed the amount needed for repair/replacement of a vandalized locker used by her and/or registered in her name. Each student registered for physical education will purchase a lock for her gym locker for her work out clothes and shoes. During physical education class, she should lock her purse, calculator, and/or books in this locker.

Locker decorations are limited to recognition of birthdays and school events. Decorations may remain on the front of the locker for one week and are expected to be taken down by the student. Decorations are limited to: wrapping paper, ribbon, 8½ x 11 sheets of paper, and a maximum of 6 photos or pictures. MASKING TAPE must be used to fasten decoration to the FRONT OF THE RECIPIENTS locker door. DECORATIONS MAY NOT BE TAPED TO THE WALL ABOVE THE LOCKER, THE FLOOR, OR LOCKERS ON EITHER SIDE OF THE RECIPIENT. Balloons are not permitted.

Medical Policies

If a student becomes ill, she must obtain a pass to the Health Room from her classroom teacher. The Health Room is not used for resting. Students should not call a parent to obtain release from school. The School Nurse or Dean will notify a parent/guardian of the need for a student to be released from school due to illness. Students going home must be picked up and signed out through the Health Room located at the back of the West Gym. A student who is ill and leaves school without proper permission is considered truant and appropriate disciplinary action will be taken. **All prescription and non-prescription medications must be left with the School Nurse.** The nurse will not dispense any medication to any student without permission from the student's parent/guardian/physician. Permission forms for dispensing medication must be completed yearly and kept on file with the nurse. Any changes must be reported in writing to the nurse. All incoming freshmen must have a current physical examination which is required by Illinois State Law. All rising seniors are required by state law to have a meningitis vaccine booster prior to the first day of school their senior year. Students should be signed out at the main office (this is for security reasons). Students not in compliance will be excluded from school. A Diabetes Care Plan must also be on file with the School Nurse if your daughter has diabetes and requires assistance with managing this condition while at school and school functions.

Off-Campus

In nice weather, students may walk on the North sidewalks outside from one building to another building between classes, but may not remain outside. Parking lots, backroads, the South sidewalk, Circle Drive or other areas are considered off campus. Students may not carry or wear non-uniform sweatshirts, jackets, or coats if they choose to walk outside between classes. Any student in violation of this policy will minimally be issued a Saturday jug.

Parking

Only faculty, staff and McAuley upperclasswomen with approval and who have paid the parking fee are allowed to park in the McAuley parking lot. Students must purchase and display the tag in their vehicle when parking on campus.

Parking in a space not assigned to you or in a no-parking area is a violation of the parking policy. Any parking violations should be reported to the Main Office. A student reported for parking violations will be issued a Saturday jug. Students who disturb residents by parking in the surrounding neighborhood will also be issued a Saturday jug. Cars parked in restricted areas will be towed away at the owner's expense.

It is the students' responsibility to cooperate and to be on the alert for any unusual activity in the parking lots. License plate number and description of any suspect car should be reported to the Main Office. Any property damages on campus should be reported to the Main Office. **The school does not assume responsibility for any damages or losses incurred to vehicles while using its parking facilities.**

Petitions

Petitions may not be circulated for student signatures. We encourage communication in our school community. Students should see their level dean with any concerns.

Public Behavior

Any student whose behavior outside of school, who in the opinion of the Administration, brings disgrace to the school, renders herself liable to suspension, probation or dismissal from Mother McAuley Liberal Arts High School.

Smoking

In compliance with Illinois state law, Mother McAuley Liberal Arts High School does not permit students to smoke on school premises including parking lots and roadways. This no smoking rule is violated when a student is in possession of a lit or unlit cigarette. The student who violates the no smoking rule will be fined \$50.00 and receive a minimum 1-day suspension.

Social Media

It is the school's expectation that all students are responsible, respectful digital citizens. Social media postings are public and permanent and may cause irreparable damage. Mother McAuley Liberal Arts High School has no duty to regulate off-campus internet/social media statements, postings or acts. Nevertheless, Mother McAuley Liberal Arts High School reserves the right to regulate, review, investigate and discipline students for inappropriate social media usage postings or cyber-bullying, pursuant to Public Act 98-129. Students who engage in this behavior may be subject to appropriate discipline including suspension or expulsion. (See page 33 for additional information on cyber-bullying).

Social Suspension

Participation in extracurricular activities at Mother McAuley Liberal Arts High School is a privilege offered to students in good standing in all facets of school life, including attendance and behavior. Mother McAuley Liberal Arts High School firmly believes that consistent attendance and proper Christian behavior are essential components to a productive academic atmosphere and directly contribute to increased student success. As a result, any student placed on Attendance Probation or Behavioral Probation may also be placed on Social Suspension.

Social Suspension is the exclusion from extracurricular activities including participation in clubs, organizations, athletics, theatre, music, and level activities such as dances. Therefore, any student not in good standing may be placed on Social Suspension for a duration of 30 calendar days. Status will be reviewed by the level dean at the conclusion of the 30-day period.

Solicitation

The advertisement or sale of goods or services is prohibited within the school. The use of the school's name, logo, and shield is not permitted without consent of the Administration.

Fundraising and/or the collection of money for any purpose or project, including apparel and food, may not be conducted without prior approval of the Principal.

Student Data

Student information (address, phone, etc.) is requested at the beginning of each school year and is kept on file in the Main Office, the Dean's office, and other school offices. Any changes in address, phone number, parents' employment, emergency information, etc. that occur during the year should be reported to the level dean and/or Registrar. The Missing Children Records Act requires that all students have a copy of their birth certificate on file at Mother McAuley Liberal Arts High School.

Student Records

Mother McAuley Liberal Arts High School keeps permanent records and temporary files for each of its students/graduates. The permanent record includes ACT/SAT results, semester grades, attendance, and immunization records.

The Illinois School Student Records (P.A. 79-1108) was signed into law on March 24, 1976. This act provides the access on the part of parents and eligible students (those 18 or over) to student records maintained by an educational institution. Requests must be in writing, state the specific record desired and state the reason for the request. Within three days of the request, an appointment will be made with one of the authorized school personnel to interpret the record for the parent and/or eligible student.

Substance Abuse

Drinking and/or possession of alcoholic beverages, abuse and/or possession of drugs or drug paraphernalia or being under the influence of drugs and/or alcohol are forbidden at all times on the school premises. The school maintains the right to search any personal property when there is suspicion of a violation of this policy. Conduct within the school or at school sponsored functions which indicate that students have been drinking or that they have been using drugs is a serious offense and will warrant disciplinary action. **These regulations apply equally to school functions held off campus as well as social and athletic events held at other schools.** Students exhibiting this behavior will be reported to the level dean. At off-campus functions, responsibility for the student will be immediately referred to the parents. Seniors exhibiting this behavior may lose the privilege of attending prom, graduation, and other school activities.

Violation of this policy will result in expulsion. The alternative to expulsion is attendance at an accredited

substance education program having an evaluation component. The program will be determined by the level dean in conjunction with the student's counselor. The cost varies according to the agency used. Payment(s) is assumed by the parents or daughter. Further disciplinary consequences may be required by the level dean.

Parents are reminded that it is unlawful for any person to furnish alcohol to a person under 21 years of age. (IL.Rev. Stat., ch.43, Par.131, IL.Rev. Stat., ch.23, IL.Rev.Stat., ch.56 ½, par.705,1401)

Tardiness

Parents should not call if a student is tardy. Any student arriving late to class or school for any reason should report directly to the Main Office and sign in, then proceed to her classroom. Students arriving late to class will be given either an after school detention or a jug **regardless** of a verbal or written excuse. Students are allowed one excused tardy per semester. Any questions regarding a detention for tardiness must be addressed by the student to the level dean. Any student with excessive tardies will be placed on attendance probation.

Telephone Messages

Please do not request delivery of telephone messages to your daughter except in cases of extreme emergency.

Theft

It is the responsibility of each student to safeguard her personal possessions and not leave any items unattended (books, calculators, cell phones, coats, iPads, money, purse, etc.). Sharing locker combinations with other students, leaving your locker unlocked, or presetting your combination negates the security of the locker. Mother McAuley Liberal Arts High School does not assume responsibility for the recovery or replacement of lost, stolen or damaged personal property. A student who steals from another member of the McAuley community may be expelled.

Truancy

A student absent from school without prior parental knowledge, as well as a student who leaves school without proper permission, is considered truant. Truancy is a violation of the state and local law. Parents will be contacted. Consequences for truancy are probation and Saturday jugs. Further disciplinary action will be determined by the level Dean. The school does not accept responsibility for a student who is absent from school or a class without appropriate permission whether she is on or off school property. **No credit is given for assignments, tests, and quizzes missed due to truancy.**

Unexcused Absence from Class

Students are expected to report to every class and assigned study. Failure to comply indicates a cut. Notification of a cut is sent by the Attendance Office to the teacher and level dean. Tardiness in excess of 10 minutes will be considered a cut. Leaving class without the expressed permission of the teacher is also considered a cut. Work missed, including tests and quizzes, will not receive credit or be made up.

A cut is counted as part of the repeated absence policy. Disciplinary action for a cut will be a Saturday jug. If a student again cuts class, further disciplinary action will be warranted, such as behavioral probation and additional Saturday jugs.

The school does not accept responsibility for a student who is absent from school or class without appropriate permission whether she is on or off school property.

As a school community, we firmly believe that the enforcement of a formal dress code helps to perpetuate a positive learning environment conducive for academic success. - McAuley embroidered knit polo
- Designated sweater/fleece/pullover top options for cold weather found at Schoolbelles

- Tights may be worn and their color should be solid white or black only.
- School ID must be worn around the neck and on a McAuley lanyard

Extreme hairstyles, hair colors, makeup and excessive and inappropriate body ornaments (i.e., chains, metal-spiked jewelry, hemp necklaces, etc.) are forbidden in school. Hats, caps, head scarves, bandanas, hair rollers, hair wraps or sweatbands or any other head coverings may never be worn in the building at any time. This includes non-uniform days.

Any other apparel, accessories and body decorations (i.e. tattoos, tongue piercing, brow piercing, nose piercing, body piercing, etc.) which are worn are considered a violation of the uniform policy. Band-Aids or other coverings may not be worn over piercings. Any student coming to school with visible body piercing, other than small earrings worn in the ears, will be asked to remove the jewelry and jewelry will be confiscated by a dean. Any student with a visible tattoo will be required to cover it during the school day and at school functions. Failure to follow this policy will result in suspension and the student will not be permitted to return to school until the object is removed.

Of special concern: A student having an extreme hair color or style is considered to be in violation of the uniform policy. The administration of the school reserves the right to define "extreme hair colors." Generally, this would include hair dyed an unnatural color completely or in streaks or in patches that draw one's attention. Failure to abide by this policy will result in suspension from school until the dean receives written verification that natural hair color restoration will begin immediately. Payment for costs incurred for the restoration will be the responsibility of the student.

Students needing to change out of their uniform for any reason, at any time, should do so in the locker room or women's washroom. At all times, the Administration reserves the privilege of regulating against unbecoming fashions or fads and determining what is appropriate school dress.

Uniforms must be worn during the school day in all areas of the school including the dining hall, detention and jug. A student who is out of uniform will be issued an after-school detention by the faculty/staff member and other disciplinary action may be warranted.

On non-uniform days, students are expected to be in appropriate attire. Attire must cover from the shoulders to mid-thigh.

To and from School:

Students are to be appropriately dressed when coming to school and when leaving.

Vandalism/Graffiti

Vandalism or deliberate abuse of school property is a serious offense. Students should report any cases of vandalism to the level dean. Students found vandalizing school property, including lockers, or the property

of others will be held responsible for repair or replacement cost of the vandalized property.

Visitors

All visitors should be directed to the Main Office where they will register and receive a Visitor's I.D. Students may not bring guests to school. No exceptions are made for small children, relatives, out-of-town friends. Alumnae and former faculty members are welcome to visit classes and teachers after registering at the Main Office and obtaining and displaying a visitor's pass.

Weapons and Other Dangerous Objects or Materials

Possession, use, control or transfer of any objects or material which can be used to inflict bodily harm and/or are defined by Section 921 of Title 18, United States Code or Section 1.1 of the Firearm Owners Identification Act, or use of a weapon as defined in Section 24-1 of the Criminal Code or possession of any other object or material, including "look alikes", used or intended for the express purpose of inflicting bodily harm or intimidation will be considered a weapon and the student will be recommended for expulsion.

Student possession and/or use of objects and materials designed for self-defense such as but not limited to objects containing a non-lethal noxious liquid gas and which are reasonably perceived by the administration to be dangerous and disturbing or have the potential to disturb the safety and well-being of individuals or the school community, are strictly prohibited on school property or at school related events regardless of location.

Violation of this regulation will result in confiscation of the item or material, automatic suspension, remuneration for damages incurred if applicable and administrative review for possible expulsion. The administration reserves the right to evaluate individual situations and student behavior in the context in which it occurs and take appropriate action commensurate with intent to do harm and past disciplinary history.

NOTE:

***All infractions are subject to an administrative review for possible further disciplinary action.**

***Violation of any of the above infractions may result in loss of privileges to participate in extracurricular activities.**

VIOLATION OF SCHOOL POLICY

Minor disciplinary situations are handled by the individual faculty member. Major school policy violations are handled by the teachers and school administration through any one of the following processes: Detention, After-school detention, Jug, Suspension, Probation or Expulsion.

Occasionally, situations may arise where a Dean, or member of the Administrative Team, may need to talk individually to a student in order to resolve a situation. Administration reserves the right to question students regarding situations or an ongoing investigation without parent consent.

The school defines these actions as follows:

Detention is an additional 45-minute period of time at the beginning or end of the school day supervised by a faculty member. The student must serve the detention within 48 hours of being issued. **It is the student's responsibility to notify her parents of the detention.** After school employment, after school responsibilities and/or extracurricular activities are not sufficient reason for missing detention. Detention must be served in full uniform. Failure to serve detention will result in the student serving a Saturday jug in addition to the detention.

Jug is a three-hour detention period on a designated Saturday from 8:00 a.m. - 11:00 a.m., supervised by a faculty or staff member. Students should report promptly to the Circle Drive doors **in full uniform**. Students who arrive at jug out of uniform will not be allowed to serve their jug. Failure to attend a jug will warrant a one-day suspension and the jug will be rescheduled. **It is the student's responsibility to notify her parents of the jug.**

Suspension is exclusion from classes and school activities for at least one school day. The absence becomes part of the official school attendance record and becomes part of the repeated absence policy. Parents are expected to assume responsibility for the student when placed on home suspension. Students may not be contacting teachers regarding missed work while on suspension.

The duration of behavioral probation will be determined by the Dean. A student on behavioral probation must demonstrate sufficient improvement to have the probation ended or be subject to expulsion. Any student who violates her behavioral probation may be expelled.

An **Administrative Review Due Process** is conducted as a result of a student's serious and/or continued violation of school policy. Members of the Administrative Team examine the student's school record as it

relates to behavior, attendance, and academics. The Administrative Team will make recommendations regarding disciplinary action. The outcome of the review will determine the student's future at Mother McAuley Liberal Arts High School.

Expulsion is permanent exclusion from school following serious or repeated deviation from school policy.

LEVELS OF INFRACTION

In order to clarify consequences to infractions and to clarify possible probationary terms, rule infractions are divided into three levels. The reader is asked to note here that the following are merely examples of infractions and their penalties and are in no way meant to represent the sum total of all possible infractions and potential penalties which might be leveled against a student who is found to be in violation of them.

Level I

General Information

There are FIVE Learning Centers: the Learning Resource Center, the Media Center, the MAC LAB, the Math Center, and the Science Center. Quiet, studious behavior is expected of all students using the Centers. No food, drink or gum is allowed in the Centers. All students are expected to be wearing their school I.D. and to stay in the centers until the dismissal bell.

Procedure for Use of All Learning Centers

1. Student obtains a resource center permit from any faculty member.
2. Student fills in all permit information above "Signature of Teacher," and shows the teacher her I.D. The teacher will then sign the permit.
3. LUNCH students must go to lunch FIRST. When ready to go to a center, a student presents the permit to the dining hall monitor who completes the appropriate information. Student I.D. must be visible when in the computer center. Permits are to be turned in upon arrival at a center.
4. STUDY HALL students report directly to the Study Hall before the bell rings where their permit is signed by the study hall teacher. Once in the centers, a student must remain until the end of the period regardless of her level. All students must present their filled out permits AND must sign an attendance sheet. Failure to do so will result in a study hall absence.
5. All rules regarding uniforms, I.D.'s, book bags, sport bottles, etc. and all school policies will be enforced in the Centers from opening times through closing times.
6. Every student must have on file with her dean the signed "Internet Acceptable Use Policy" form.
