MOTHER MCAULEY GOLF OUTING

SPONSORSHIP OPPORTUNITIES

Dear Friend of Mother McAuley,

On behalf of Mother McAuley Liberal Arts High School we are excited to invite you to participate in **Fore the Macs: Playing it Forward Golf Outing and Dinner** on Friday, September 15, 2017 at Ridge Country Club in Chicago's Beverly neighborhood. This annual fundraiser provides tuition assistance to McAuley students and is a wonderful opportunity for the Mighty Mac community to gather and celebrate our mission, our tradition and our future!

Last year, supporters like you helped McAuley to provide more than 18 scholarships for incoming freshmen. Many of our students would be unable to attend McAuley without these generous financial contributions. In fact, 61% receive financial aid each year and that number is only growing. **You can help make it possible for young women to experience the *Lifetime Advantage* of a McAuley education by assisting financially with an underwriting opportunity.**

As you consider your *tax-deductible* donation, please remember the important role that Mother McAuley High School plays in our community and the many students, teachers, alumnae and parents who are your neighbors, customers and clients. All donors will be listed in our event program and posted prominently on our Fore the Macs webpage. Sponsorships and monetary donations would be most appreciated. Please make checks payable to Mother McAuley High School and email your artwork and/or logo, if applicable, by July 31, 2017.

Please consider joining us for this spirited day of fun, on or off the course. If you would like more information about the Fore the Macs: Playing it Forward Golf Outing and Dinner or recognition opportunities, please contact Peggy Rourke at 773-881-6547 or prourke@mothermcauley.org. You also may check our website for more information at mothermcauley.org/forethemacs.

Thank you for your generosity.

NEW THIS YEAR

McAuley will be presenting the **Caring Heart Award** in celebration of the spirited life of Caroline Griffin, a member of the Mother McAuley Class of 2012. Caroline showed great courage and perseverance in the face of hardship and brought light to all around her. These same qualities can be seen in the 2017 recipients, **Brian and Amy O'Connell Bonner '89**, who, in loving tribute of their amazing, charismatic son, Liam, have provided hope, healing and support to their whole community.
