Dear Friends and Supporters,

I'm thrilled to share within these pages the good news of what community spirit and generosity helped us accomplish this last fiscal year, especially in light of the magnitude of challenges we faced beginning in early 2020.

Throughout COVID, our first priority has been to ensure the safety and health of our students, faculty, staff and coaches. While circumstances necessitated new instructional approaches, we remained firm in this, continuing to offer the best education for young women. Never did we question "why?" Instead, we embraced the "how." Perhaps it is because we see our brave and inspiring founder Catherine McAuley, Sister Agatha O'Brien and many others as the unseen but ever-present teachers in our midst. Like them, we trust that even when the path may not be clear, our mission is solid.

The work of many helped us end the 2019-2020 academic year with a sense of optimism and renewed confidence in the value of our legacy and the strength and resilience of our community.

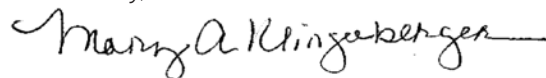

The wonderful stewardship of our donors and supporters, through support of our McAuley Fund, Celebration, Mercy Day of Giving, Golf Outing, Future Ready, scholarship and so much more, ensured our young women access to dynamic facilities and pivotal academic, co-curricular, athletic and spiritual formation opportunities. Each of these helps shape them into leaders who recognize their role and responsibility in making a difference in our world.

I also want to acknowledge our resolute administration, faculty and staff. Their expertise and creativity helped provide digital learning through engaging instruction that motivated and inspired our students to excel rather than remain stagnant. Throughout the process, students learned to relish the unexpected, a trait that will no doubt help them remain open-minded and assertive when encountering future challenges.

As we move ahead, it is with a collective hope and spirit more powerful than any obstacle. Fueled by our Mercy legacy, we remain focused on "the careful instruction of women." We know that as we inspire the next generation of women leaders, they will be stronger and more driven than ever which gives me tremendous hope.

I am so very grateful for the kindness and generosity of those we hold most dear to us.

In Mercy,

Mary Acker Klingenberg '75
President

Grant Update

The generosity of these groups and organizations has enabled us to improve and update our services, programs and financial aid for our young women.

COUNSELING

\$28,000

awarded the West Midwest Mercy Ministry Fund administered by the Sisters of Mercy of the Americas. The funding helps provide professional counseling services to approximately 5% of our student enrollment. The West Midwest Mercy Ministry Fund has consistently supported programs that directly affect the wellbeing of McAuley students.

S.T.E.M.

\$25,000

from **BMO Harris Bank**
and

\$15,000

from the **Exelon Foundation**, with a commitment of expertise to be delivered once the STEM Pathways Lab is operational.

As part of our *Future Ready* capital campaign, these funds support our plans to transform an existing science classroom into a state-of-the-art STEM Pathways Lab. It was through the advocacy of several McAuley alumnae, who are former Exelon employees, that we were able to host the head of the Exelon Foundation for a site visit.

Collectively awarded from:

W.P. & H.B. White Foundation
of Northfield

The Owens Foundation

The Mazza Foundation

NEWLY-ESTABLISHED SCHOLARSHIPS

The Christie (Gallagher '72) and Mark Sever Scholarship

This \$1,000 renewable scholarship is awarded to an incoming freshman who is actively involved in some volunteer activity above and beyond the school requirement. Christie and Mark Sever sent their three children through Catholic grade school, high school, college and graduate school. The Severs are firm believers in hard work, scholastic application, volunteerism and the Catholic faith. Both Christie and Mark have served as volunteers within their parish and community. Christie '72 currently serves on the McAuley Board of Trustees in the role of Chairperson.

The Magee Family Scholarship

Established by **Terry Magee Jaspers '70** and Greg Jaspers, this \$1,000 non-renewable scholarship recognizes a deserving student who is a current eighth-grader at St. Christina School, a member of St. Christina Parish and/or a resident of Merrionette Park. Terry grew up in this wonderful community which led her to Mother McAuley. Terry believes that her rich Mother McAuley education launched her to many successes in her life. Her dedication to Mother McAuley finds her on the 1970 reunion committee and she gives back in so many wonderful ways.

The Walls are Alive with Our History and Heritage

On September 4, 2019, McAuley held a blessing of its new Heritage Wall, located inside the Circle Drive entrance. This beautiful project, underwritten by **William and Anne (Edwards) Cotter '73**, features history panels and an illustrated timeline. It highlights McAuley's school's deep connections to the Chicago community and celebrates milestones and the individuals who have brought us to this place in our story.

Nearly 100 photos span the wall and were curated from yearbook collections and the school archives. Current McAuley English teacher, Sister Nancy Houlihan, RSM wrote the introduction that is featured on the first panel of the wall. She also led the blessing of the new wall.

It is a special moment as we bless this Heritage Wall, but how blessed Mother McAuley High School is with all the Sisters of Mercy, faculty, staff, and students who have been, are, and will be the contributors and makers of this rich history. And, how wonderful and important it is that we celebrate and share this with all who enter our school. The pictures say so much of what has taken place throughout the 173 years, but one of the quotes from Catherine McAuley that appears on the wall seems to reflect what has been core to the mission of Mother McAuley High from the beginning: 'We must strive to do ordinary things, extraordinarily well.'

SR. NANCY HOULIHAN, RSM

The Heritage Wall designed and created by Mother McAuley High School today is a gift to all that has come before and all that will be. It honors history, tradition and fidelity. It beautifully and creatively tells the story of continuity of purpose in educating young women, shared mission to instill values of excellence, leadership and service. It witnesses to faith, to sharing the Mercy charism and it is an artistic witness to the values that have been shared by communities of Mother McAuley all these many years. My belief is that the young women and all who learn from this Heritage Wall will be inspired to take their place in history and to make a difference in our world.

Honor Roll of Donors 2019 - 2020

Throughout its history, Mother McAuley has honored its founding commitment to providing a liberal arts, college-preparatory Catholic education – steeped in the Mercy tradition – to young women, regardless of financial ability to pay full tuition. Between July 1, 2019 and June 30, 2020, thanks to the generosity of donors, 78 percent of students received financial assistance. We are grateful to the alumnae, parents and friends who have generously established or contributed to endowed and annual scholarship funds, ensuring that all young women benefit from the *lifetime advantage* of a McAuley education.

Every effort has been made to ensure that this report is accurate and complete. If an error has been made, please accept our apologies and notify the Institutional Advancement Office at (773) 881-6559.

Start Planning Your Legacy

In 1827, through a substantial inheritance, Catherine McAuley opened the first Mercy House on Lower Baggot Street in Dublin, Ireland. Three years later she began the Congregation of the Sisters of Mercy. Her vision for the education for young women led the Sisters of Mercy to cities in the United States, including the then frontier town of Chicago in 1846. In the nearly 175 years that have followed, we have proudly provided transformational educational opportunities for generations of young McAuley women for nearly 175 years.

A planned gift to Mother McAuley indicates a commitment to the long-term success of the school and its students. These gifts help create a very strong cornerstone for the future of McAuley.

Please consider a planned gift so that as a member of the Catherine McAuley Legacy Society, her legacy, and yours will prosper in perpetuity.

Planned gifts to McAuley can help:

- further the School and its mission
- ensure the future financial strength of the school beyond annual fundraising
- provide future generations of students with an exceptional learning experience
- create a lasting legacy for the women of tomorrow

Plan a gift now for a lasting legacy.

There are ways to make a gift to Mother McAuley that provides an immediate tax deduction for you, and a future charitable gift to the high school, including:

- **BEQUESTS / WILLS OR TRUSTS**
- **IRAS AND TAX-DEFERRED ACCOUNTS**
- **GIFTS OF STOCK**
- **LIFE INSURANCE**

Forms and additional information, including a list of current tax benefits, can be found at mothermcauley.org/give/plannedgiving.

Since there is very little good that can be accomplished or evil avoided without the aid of money, we must look after it in small as well as in great matters.

CATHERINE McAULEY, letter to Father James Maher, January 10, 1838

Mother McAuley Liberal Arts High School

is a Catholic educational community committed to providing a quality college preparatory education for young women. In the tradition of the Sisters of Mercy and their foundress, Catherine McAuley, we prepare students to live in a complex, dynamic society by teaching them to think critically, communicate effectively, respond compassionately to the needs of their community and assume roles of Christian leadership. In partnership with parents, we empower young women to acknowledge their giftedness and to make decisions with a well-developed moral conscience. We foster an appreciation of the diversity of the global community and a quest for knowledge and excellence as lifelong goals.
