Overview**

Career First, Athletics Later

- What career/major do you want to pursue?
- Does the college offer the program you are interested in?
- ACT/SAT scores vs. college selectivity
- Is there a possibility of a 5th year paid Masters?
- Is there enough time to do both?

THE COACH WANTS YOU, BUT DOES THE SCHOOL?

- Academically, what division are you eligible to play? DI, DII, DIII, NAIA, NJCAA
- Athletically, what division are you good enough to play?
- McAuley graduation requirements vs. DI, DII, NAIA, and NJCAA eligibility
- Do you meet the college admission requirements?
- Are you taking a rigorous course load in high school?

What's more important? Athletics or Academics?

Why not both?

- Will your academic schedule allow you to play a sport in college?
- Can you handle a rigorous, academic schedule along with traveling four days a week?
- Will you graduate in four, five, or six years with an undergraduate degree?
