RN, Northwestern University Medical Center

Cheryle Wittert
Former President, BMO Private Bank

Dear Friends and Supporters,

The 2020-2021 school year will certainly be one for our history books. We began the year with hopeful hearts and a thoughtful, hybrid approach to our school day. With the safety of our students, faculty, staff, and coaches as the top priority, we dedicated time and resources over the summer of 2020 to outfit our classrooms with the proper tools and PPE needed to put our plan into action. And while some things were different this school year - the halls were quieter with only half the student body in person through spring break, and the wide smiles to which I've grown accustomed to seeing were hidden behind masks - the spirit of McAuley remained the same.

I have been inspired by the passion and creativity I have seen over the past year. Determined to hold an all-school musical, our faculty and students worked tirelessly to find a solution and build a set, rehearse, record, and present a one-of-a-kind outdoor production of Shrek: The Musical; passionate about their sport, our student athletes and coaches committed to following all CDC and state guidelines and trained for and competed in these unique circumstances in true Mighty Mac spirit; dedicated to our liberal arts curriculum, our teachers and students quickly acclimated to our hybrid schedule and focused their time and energy to ensuring that the caliber of education at McAuley remained the same.

And of course, I am inspired by you, our donors and supporters, who lifted us up with a record-breaking year for our McAuley Fund, Celebration, Mercy Day of Giving, Golf Outing, Future Ready, scholarship and much more. My gratitude for your generosity and kindness knows no end.

As we look to the future and celebrate 175 years of Mercy education in Chicago, the importance of our mission has never been more evident. We remain committed to empowering young women to become the leaders and changemakers of tomorrow and look forward to beginning this new year with renewed purpose and hope.

From the bottom of my heart, thank you.

In Mercy,

Mary Acker Klingenberg '75
President

Grant Update

The generosity of various foundations and organizations have enabled us to augment our mission of providing the “lifetime advantage of a McAuley education” throughout the year of hybrid learning.

SCHOLARSHIP ASSISTANCE

\$45,500

Scholarship Assistance continues to be McAuley's most pressing need. During the 2020-21 school year, we distributed \$1,599,823 in financial aid. Of that amount, \$456,139 was received from external sources such as the foundations listed below. Twenty four students were awarded scholarships ranging from \$1,500 to \$2,000 per student. The majority of the grants were awarded to students from depressed communities.

The Owens Foundation has provided scholarship support to students from Chicago's inner city since 1999. The tuition assistance benefits students with demonstrated need. Several members of the Owens Board of Directors are McAuley alumnae. The alumnae are keenly interested in the recipients of the Owens' scholarship and generally meet with them each year at the Donor Breakfast. **(\$7,500)**

The **Mazza Family Foundation** presently supports five members of the class of 2023 with scholarships of \$2,000 each. The Mazza Family is outstanding in their support of Catholic education for students from preschool through high school. Their interest in the progress of the students is ongoing throughout the academic year, and throughout their high school years. **(\$10,000)**

Aileen S. Andrew Foundation honored six students with scholarships of \$2,000 each. The Andrew Foundation is primarily interested in supporting students whose families are financially at-risk. When the economic downturn at the start of the mandated shutdown occurred, many McAuley families felt an additional strain. The Andrew Foundation was a lifeline for six families. **(\$12,000)**

The **W.P. & H.B. White Foundation** is a consistent support of McAuley scholars. The scholarship awards assist financially at-risk students predominately from the inner-city of Chicago, and south suburbs. Steve White, president of the foundation, generally attends our yearly Donor Breakfast to meet with students who receive scholarships from the grant award. This year's award assisted eight students with grants of \$2,000 each. **(\$16,000)**

FUTURE READY (STEM Lab Renovation) \$15,000

Helen Brach Foundation In the midst of the pandemic, as McAuley put in place the protocols from public health officials regarding the mitigation of the coronavirus, we continued our Future Ready Campaign to renovate our 65-year old campus. The Brach Foundation, a generous supporter of McAuley since 1995, added to the Future Ready fund to refurbish the STEM Lab. When completed it will provide our students with a 21st Century State-of-the-Art STEM Pathways Lab. We are grateful to the Brach Board of Trustees to provide funds for this strategic project.

EMERGENCY FUNDING FOR COVID-19 \$57,271

The **Fred J. Brunner Foundation** provided a grant award to assist with the expenses incurred from preparing our campus as a hub for hybrid learning. This included the purchase of web cameras for classrooms, sufficient sanitizing equipment, and updated software. The support of the Brunner Foundation over the past nine years allowed us to provide enhanced programming to our students. We are grateful to Pamela Brunner Schwegel and her board of trustees for support of our mission. **(\$30,000)**

The governing body of the **Mercy Education System of the Americas (MESA)** provided a one-time grant award to cover some of the extraordinary expenses as we welcomed our students back onto our campus in August 2020. The hybrid model of scheduling allowed 50% of our 873 students back for in-person learning on an alternating basis. McAuley is a member of MESA. **(\$27,271)**

COUNSELING \$24,000

The **West Midwest Mercy Ministry Fund**, administered by the Sisters of Mercy of the Americas, once again funded The Lifelong Wellbeing for Young Women initiative. This program provides comprehensive support and information to students experiencing anxiety and depression. The program managers collaborate with professional therapists to provide individual assessment and short term therapy aimed at promoting healthy coping skills. Approximately 7% (58 – 62) of our students participate in this program.

NEWLY-ESTABLISHED SCHOLARSHIP

The Monica Dunne Fudacz '75 Memorial Scholarship

Monica was a beloved member of the Class of 1975, as well as a mother, wife, grandmother, sister, aunt, and friend to many. Her generous and caring spirit deeply touched all who she knew. She possessed strong family values, a good work ethic, an interest in science, creativity and wonder, compassion, the ability to listen, curiosity, devotion to community, a sense of citizenship, love of nature, and sense of fun!

As an endearing tribute to Monica, a memorial scholarship has been established by the Fudacz family to assist students at Mother McAuley. This \$2,500 renewable scholarship is awarded to a student from Beverly, Evergreen Park, Morgan Park, or Mount Greenwood who shows the same qualities that Monica possessed and shares their generous spirit with others in their community, their school, and family.

Introduce a Girl to Engineering Day

In February 2021, we held a school-wide, virtual “Introduce a Girl to Engineering Day” event. We welcomed alumnae, via zoom, to share their backgrounds in STEM. Our alumnae continue to inspire our students by diving deeper into their experiences from their McAuley days, studies at college and university, and their careers in the STEM field. They stressed the challenges and rewards of being a woman in such a male-dominated field.

McAuley gave these women an opportunity to foster their interest and love for science and math and allowed them to continue to surround themselves with other passionate women in college and beyond. “Introduce a Girl to Engineering Day” is such an impactful event that gives our students a clear vision of what they can accomplish when they leave the halls of McAuley.

Many thanks to these presenters:

SIGNIFICANT ELEMENTS OF THE SCHOOL'S FINANCIAL STATUS ARE AS FOLLOWS:

- Mother McAuley is committed to effective and efficient cost management.
- Mother McAuley continues to meet its commitment to the policy of funding depreciation for the future replacement of assets through the established Funded Depreciation Account.
- Mother McAuley's financial reports are audited annually by an independent auditing firm.
- Board Designated and Restricted net assets balances have been established for specific long-term purposes.
- Mother McAuley is committed to maintaining an appropriate balance of operational revenues and expenses intended to insure the financial stability required for a quality education.
- Mother McAuley strives to increase annual and major giving in order to meet the rising operational costs and the increasing demand for financial assistance.

Celebration 2021!

McAuley's annual gala went virtual this year in our first-ever livestream Celebration. Thank you to the overwhelming support of our sponsors and donors who made the event better than ever! A true testament to the McAuley spirit that remains mighty throughout any obstacle.

Honor Roll of Donors 2020 - 2021

Throughout its history, Mother McAuley has honored its founding commitment to providing a liberal arts, college-preparatory Catholic education – steeped in the Mercy tradition – to young women, regardless of financial ability to pay full tuition. Between July 1, 2020 and June 30, 2021, thanks to the generosity of donors, 53 percent of students received financial assistance. We are grateful to the alumnae, parents and friends who have generously established or contributed to endowed and annual scholarship funds, ensuring that all young women benefit from the *lifetime advantage* of a McAuley education.

Every effort has been made to ensure that this report is accurate and complete. If an error has been made, please accept our apologies and notify the Institutional Advancement Office at (773) 881-6559.

Planned Giving

Create a lasting impact – become a member of the Catherine McAuley Legacy Society

A planned gift to Mother McAuley indicates a commitment to the long-term success of the school and its students. Making a planned gift confers membership in the Catherine McAuley Legacy Society. Explore these ways to plan and give back now or in the future. Your gift helps McAuley remain strong while maximizing your generosity and providing tax benefits.

PLAN NOW, GIVE NOW

DONOR-ADVISED FUNDS

This option offers you the flexibility to recommend how much and how often donations are granted to qualified non-profit institutions.

APPRECIATED SECURITIES

Donors can contribute appreciated property, like securities or real estate, receive a charitable deduction for the full market value of the asset, and pay no capital gains tax on the transfer.

RETIREMENT PLAN REQUIRED MINIMUM DISTRIBUTION (RMD)

If you are 70½ or older, you can give any amount up to \$100,000 per year directly from your IRA to a qualified non-profit without having to pay income tax on the gift.

PLAN NOW, GIVE LATER

A GIFT IN YOUR WILL OR TRUST

Include McAuley in your will or trust today by a simple addition to your legal documents for a gift in the future.

RETIREMENT PLAN ASSETS

Name McAuley as a beneficiary of part or all of your retirement plan assets.

LIFE INSURANCE POLICIES

Consider donating all or part of your policies which will pass tax-free to a non-profit.

This information is intended to provide general gift planning information. We encourage you to consult with your own legal and financial advisors.

As I reflect on my upcoming 45th reunion, I think about my parents and their emphasis on the value of Catholic education. They sacrificed to send me and all my siblings to Catholic schools which has been a lasting legacy for all of us. They also stressed the importance of supporting these institutions over the long term via financial assistance to ensure lasting sustainability.

I have fond memories of my four years at Mother McAuley and I believe the experience was instrumental in both my personal and professional endeavors. It provided me with confidence as I entered the workforce and for success in my career. The friendships that I made have withstood the test of time and I see similar bonds in those who graduated after me.

I have enormous respect for the parents of Mother McAuley and the many challenges that they face. I admire all they do to provide their daughters with this education and I want to provide support and assistance in helping them achieve their goals.

Graduates of Mother McAuley have repeatedly demonstrated their ability to become impactful leaders in their respective communities. They carry themselves with a certain style and grace and their confidence in tackling all sorts of issues is wonderful. I want to do what I can to help provide young women with the many positives our school can provide. As such, I am confident that my Planned Gift to Mother McAuley allows future generations to make this world a better place. I encourage others to do the same.

Why Plan?

Planned Giving allows donors to have a much greater financial impact to organizations in which they believe! Despite that fact, fewer than 10 percent of Americans utilize planned giving. Yet there's a wide range of options for potential gift-givers, making it much easier to fit philanthropy into their budgets and long-term plans. Planned giving offers flexibility for donors from a broad range of financial backgrounds.

*Since there is very little good
that can be accomplished or evil
avoided without the aid of money,
we must look after it in small
as well as in great matters.*

CATHERINE McAULEY,
letter to Father James Maher,
January 10, 1838

Mother McAuley Liberal Arts High School

is a Catholic educational community committed to providing a quality college preparatory education for young women. In the tradition of the Sisters of Mercy and their foundress, Catherine McAuley, we prepare students to live in a complex, dynamic society by teaching them to think critically, communicate effectively, respond compassionately to the needs of their community and assume roles of Christian leadership. In partnership with parents, we empower young women to acknowledge their giftedness and to make decisions with a well-developed moral conscience. We foster an appreciation of the diversity of the global community and a quest for knowledge and excellence as lifelong goals.
